**"You Gotta Have Love"**  
**DARLENE LOVE**

Darlene Love was at the heart of the 60's and 70's Motown Sound. Today she is a star with a hit single and finally getting the recognition she deserves as one of the greatest performers and vocalists of our time. Her recognition was slow to come and she endured a rough road with grace and fortitude. "Back in the day", Darlene was sidelined by promoters but her voice wasn't. Producers leaned on Darlene to carry the more famous voices – and she was never recognized. The classic hit "He's a Rebel", credit to the "Crystals" was actually Darlene Love's voice! She is featured in the Oscar-winning documentary, "Twenty Feet from Stardom" available for viewing online. Don't miss an evening with Darlene Love and her fabulous band that you will long remember.
