BIG ARTS IS TAKING PRECAUTIONS

We are all concerned about the COVID19 virus, and I know we all want to minimize the risk to ourselves, our families and our community. BIG ARTS has approximately 2,000 visitors a week. We are keenly aware of our responsibility to make sure we do all we can to exercise caution. We have ramped up sanitizing practices to include wiping down the theater armrests between shows, making sure sanitizers are available throughout the building, putting antibacterial soap in all dispensers, and directing staff, parkers and volunteers to be vigilant about washing hands, using hand wipes on all surfaces, covering mouths and nose when coughing, dispensing with Kleenex and towels carefully, and most of all, staying home if they are ill or are at higher risk of complications. We are asking the same of our guests. At this point in time all performances and classes remain on schedule. Thank you!

Angel Appreciation Cancellation Notice

In an effort to protect our valued friends, patrons, volunteers and staff, BIG ARTS leadership has determined it is the better part of wisdom to defer the Angel Appreciation event currently scheduled for Thursday, March 12th. We are planning a lovely welcome back event for all our angels and major capital campaign donors in the fall. BIG ARTS hosts approximately 2,000 visitors a week for the gallery, film, performances, classes, etc., and is the most frequented inside venue on the island; therefore, we need to be particularly vigilant. Performances, classes, lectures and films will continue as scheduled.

PLATINUM CLUB PRECAUTIONS

Performances, classes, lectures and films will continue as scheduled at BIG ARTS and Platinum Club will continue with one change: as a precaution, while the open bar will be open, to minimize risk, we have determined it is best not to serve food.
