

Playful Discoveries in Acrylics with Sissi Janku

Student Supply list:

Acrylic Paint

If you have painted with acrylics before, bring your acrylic paints.

For beginners I recommend “craftsmart” from Michaels. They are budget friendly and come in a 16-color value set. Some “craft acrylics” are not as lightfast as professional artist paints. You can use a non-yellowing varnish like “mod podge” or “polyacrylic” to make your artwork lightfast after it is thoroughly dry.

Brushes

A mixture of sizes, at least three or four brushes ranging from 3/16 to 1” in width.
Instructor will bring extra for everyone.

1 black sharpie

1 pink eraser

Canvases

2 canvases 12x16”
