

## Artist Bio:

Doug MacGregor has been an artist, illustrator and cartoonist for more than 45 years, working for newspapers and print publications across the U.S. A native of Binghamton, NY, Doug graduated from Syracuse University and holds a BFA in illustration. Doug has lived in SW Florida since 1988 and enjoys the humor and unique opportunities living in paradise provides.

Doug currently volunteers in the Arts in Healthcare program at Lee Health, bringing art, music and the expressive arts to its patients. He also visits schools, libraries and art centers, teaching creativity and cartooning to the young and young at heart.

Doug has also published seven children's books, including his most recent, *The Squonk*, *Turtellini's Amazing Sky-High Adventures* and *Get Creative, Turn On The Bright Side Of Your Brain*.

You can also spot Doug singing and playing harmonica in his classic rock band, The Rosada Project around SW Florida.

You can view Doug's books, music and cartoons at his website:
