

BIG ARTS Pottery Studio – SAFETY

- Always wear appropriate clothing and closed-toe footwear.
- Touching, unloading, or loading of kilns or any glaze chemicals is strictly prohibited.
- In the event of an injury, please inform an instructor immediately.
- Any accidents or broken items must be reported to the studio coordinator as soon as possible.
- It is essential to minimize dust for everyone's safety.
- Student supply carts are to be stored outside the classroom during class hours.

NOT Permitted

- Sweeping or sanding in the studio is not allowed, as it can raise silica dust that remains airborne for several days.
- If sanding is necessary, please do so outside in the designated area while wearing a mask and ensure the studio coordinator is informed.
- Direct any questions, concerns, ideas, or requests for clarification to the studio instructor or BIG ARTS staff.
