"I could never do that!," you may say. Yes, you can! The art of Zentangle looks complicated; however, it is a very relaxing and stress-free art form.

Donna will guide you through the Zentangle process step by step as you create this fun folded card on which you will learn and draw many different tangles. The best thing is there are no mistakes in Zentangle and each finished piece will look different from anyone else's in the class. That is the fun of Zentangle.

So, take a breath and give Zentangle a try. You may find it so enjoyable and relaxing that it becomes a part of your daily life, as it has been for Donna the past 13 years!
