

BIG ARTS Pottery Studio

- Always wear appropriate clothing and closed-toe footwear.
- Touching, unloading, or loading of kilns or any glaze chemicals is strictly prohibited.
- In the event of an injury, please inform an instructor immediately.
- Any accidents or broken items must be reported to the instructor as soon as possible.
- Clean workspace with a wet sponge **only** -It is essential to minimize dust for everyone's safety.
- Student supply carts are stored outside the classroom and in the lobby (not hallway) during class hours.

NOT Permitted

- **NO Sweeping** in the studio as it can raise silica dust that remains airborne for several days.
- **NO Sanding** in the studio as it can raise silica dust that remains airborne for several days. **Sanding Outside Only** - wearing a mask is a personal/optional choice.
- **DO NOT** use the slab roller equipment as an extra workspace or extra storage space. Use the equipment for its intended use only.

Direct any questions, concerns, ideas, or requests for clarification to the studio instructor or email BIG ARTS staff: aharrison@bigarts.org
