Alcohol-ink collage is an introduction to tissue-paper collage. Grab a smock and dive into the fun, beginner-friendly world of alcohol-ink, mixed media - No experience required!

During this two-day workshop, I'll guide you through the creative possibilities of alcohol ink, a vibrant solvent-based dye known for its beautiful, fluid effects. You'll begin by experimenting on artist tissue paper, exploring color blending and unique techniques to create stunning combinations. In the second session, you'll use your handcrafted tissue papers to transform a selection of objects, turning each one into a one-of-a-kind work of art.

My goal is to create a relaxed and encouraging environment where everyone can succeed.
